FROM SEPTEMBER 21. TO SEPTEMBER 28. 1738.

NEW-YORK, September 6.

The General Assembly of this Colony is met in Order to proceed upon Business, and Yesterday His Honour the Lieutenant Governor was pleased to receive them, and make the following SPEECH, *viz.*

GENTLEMEN,

SINCE We last were together, we have had the most afflicting News of the Death of Her Majesty QUEEN *CAROLINE*, a Princess endued with so many Royal, Beneficent and Amiable Virtues, that no Distance of Time can efface the Remembrance of them; tho' your Meeting together now gives a late Opportunity of dutifully and gratefully declaring the Sense the People of this Province have of their irreparable Loss. I am confident that none of His Majesty's most dutiful Subjects, who have made the earliest Declaration of their Grief, are more sincere in their Condolence with our most Gracious Sovereign, on this ever to be lamented Event.

Gentlemen of the Assembly;

You know that more than a Year is now expired, without any Support of His Majesty's Government in this Province, by a Practice not warranted by the Usage of former Assemblies, nor consonant to the grateful Returns, which a dutiful People owe to the paternal and indulgent Care and Affection that the King has on all Occasions manifested, in promoting the Welfare of his People, and in securing their Religious and Civil Rights and Liberties; His Majesty expects, that you give a Revenue as large and for as long a Time, as former Assemblies have done.

It appears by the Treasurer's Accounts, That the Funds appropriated for sinking the Bills of Credit, struck in the Years 1714, and 1717, are now about Seventeen Thousand Pounds deficient, which Fund will expire next Year.

The securing the Credit of your Paper Money, deserves your immediate Consideration, as it is a Matter of the highest Concern to the Province: I will give my Assent to *An Act to continue the Excise*, for sinking of those Bills, when at the same time you give his Majesty as ample a Revenue for Supporting His Government here, and for as long a Time as former Assemblies have done. More than that cannot be expected from me, nor dare I give into. As the Paper Money of this Province receives its Currency and Credit from the Authority of his Majesty's Government, that Credit cannot be supported, without Supporting the Government, they must go hand in hand.

GENTLEMEN,

I must acquaint you, that there is a standing Order of the Plantation Board, *That no Person be heard there in Support of Bills past in the Plantations, unless he make it appear, that he be Agent for the Colony in whose Behalf he applies*; your Bills will be liable to be rejected, upon the Application of any other Colony, who shall think themselves aggrieved, by any Act pass'd here, if no Person be authorized to appear for you on such Occasions; this lately was like to have been the Case of the *Tonnage Act*, passed in the Year 1734, and which may still be rejected, unless you appoint and furnish an Agent with sufficient Reasons in Support of that Act; it is therefore necessary for you to have an Agent ready on all Occasions, to appear in Behalf of the Province.

Gentlemen of the Assembly,

I must recommend to you the finishing of the new Fortifications, that they may in all Events be in a Condition of Defence; and to repair that Part of the Barracks in the Fort, which were left unrepaired, when the others were repaired.

I must likewise recommend to you the Payment of those Persons whom I sent to reside in the *Five Nations* Country, to keep the *Indian* Nations steady in their Fidelity to this Government; I mean the Payment of those who have resided Twelve Months there, as well as of the others that are now sent upon the same Service, for the present Year.

GENTLEMEN,

In the last Place I recommend to you, Unanimity and Harmony in dispatching those Things, which your Duty to your King & Country requires of you.

GEORGE CLARKE.

PERTH-AMBOY, *Sept.* 11.

By *His Excellency*, LEWIS MORRIS, *Esq*; *Captain General and Governor in Chief in and over His Majesty's Province of* Nova Cæsarea, *or* New-Jersey, *and the Territories thereon depending in* America, *and Vice Admiral in the same, &c.*

A PROCLAMATION.

WHEREAS His most Sacred Majesty *GEORGE the Second*, by the Grace of God of *Great Britain*, *France and Ireland*, KING, Defender of the Faith, &c. by His Royal Letters-Patent, bearing Date the third Day of *March* last, has been pleased to appoint Me Captain General and Governor in Chief of this His Majesty's Province of *New-Jersey*; and also by Commission under the Great Seal of the High Court of Admiralty of *England*, bearing Date the Twenty third Day of the same Month, to appoint Me Vice-Admiral in the said Province. I have therefore thought fit, for His Majesty's Service, to give this Publick Notice thereof, & by and with the Advice and Consent of His Majesty's Council, to issue this Proclamation, hereby Aurhorizing and Impowering all Officers Civil and Military, to continue in their respective Offices and Employments till further Order; whereof all His Majesty's Subjects are required to take Notice and govern themselves accordingly.

GIVEN under my Hand and Seal at Arms, in the Council Chamber at Perth Amboy, *the 30th Day of* August, *in the Twelfth Year of His Majesty's Reign, and in the Year of Our Lord* 1738. LEWIS MORRIS.

By His Excellency's Command,
Arch. Home, Secry.

GOD SAVE THE KING!

The ADDRESS of the CORPORATION *of the City of* Perth-Amboy *to His Excellency* LEWIS MORRIS, Esq; &c.

May it please Your Excellency,

THE Corporation of this City beg leave to congratulate You, on the Honour our most Gracious Sovereign has done You, in appointing Your Excellency Captain General and Governor of *New-Jersey*.

WE receive this Grace and Favour from His Majesty, with the utmost Joy and Gratitude, & esteem the Blessing double by our being under the Care and Government of Your Excellency, who from long Experience so well knows our Wants, and the Oppressions and Difficulties the Province in general, but this City in particular, have lain under.

YOUR Excellency is blessed with Abilities, from which You are capable to make us a happy People; and we are assured, Your Inclinations are to do all Things which may tend thereto.

WE are fully sensible that (next to His Majesty's Goodness) it is to You our Acknowledgements are due for His Majesty's having granted the Powers of Governing this and the Province of *New-York*, to different Persons: We hope to deserve the Favour, and doubt not but all Persons, in their several Stations, will so act and behave, as shall fully testify a grateful Sense thereof. With this we please ourselves, and sincerely pray that Your Administration may be as happy and prosperous as You can wish, and that under the Influence of it, Peace and good Will may be the Pursuit of every one, as it shall be of

Sir, &c.

To which His Excellency was pleased to make the following ANSWER.

GENTLEMEN,

I Shall with Pleasure use all the Abilities you suppose me possess'd of, to render you and all His Majesty's Subjects as Happy as their Circumstances will admit them to be. I perswade my self you will always retain a grateful Sense of His Majesty's Goodness in appointing you a separate Governor from that of New-York, *and behave suitably for so great a favour. I hope and will Endeavour that my Conduct shall be such, that when his Majesty shall please to Call me, you may have reason to say, I have acted as I ought to have done.*

The ADDRESS of the CORPORATION *of the City of* Burlington, *to His Excellency* LEWIS MORRIS, Esq; &c.

May it please Your Excellency,

WE the Mayor, Recorder, Aldermen and Commonalty of the City of *Burlington*, do, with the utmost Pleasure and Satisfaction, most sincerely Congratulate Your Excellency, not only on Your safe Arrival in this City, but more especially on His Majesty's Appointment of a Gentleman so well acquainted with our Constitution and Wants, as Your Excellency is, to be our Governor, distinct and separate from the Province of *New-York*.

SINCE then, the Necessity and Desires of this Province, are thus most graciously answered by His Majesty's Appointment of Your Excellency, we have at present a pleasing Prospect of the Blessings, which will flow from thence; that wholesome and necessary Laws with Your Concurrence and good Inclination will pass with greater Facility than formerly, for promoting the Trade of this Province, conducive to the Publick Welfare thereof; that our Grievances will be redress'd, and that a more ready and easy Access will always be had to Your Excellency, than could be had to former Governors, by Reason of their Residence in the Province of *New-York*.

With these agreeable Ideas, we flatter ourselves, that thro' Your Influence, ready Assistance, and Wisdom, we shall be made an Happy People, by your equal and prudent Administration of the Government, for the General Ease and Benefit of His Majesty's Subjects in this Province.

That You may be successful in all Your Undertakings, and never meet with any Obstacles to these good Purposes; but on the contrary, that

that a perfect Harmony and Unanimity may every where ſubſiſt in this Province, during Your Adminiſtration, and that you may long continue our Governor, is the hearty Deſire of, *Sir*, &c.

Some of the Members of the Corporation being of the People called Quakers, do approve of the Matter and Subſtance of this Addreſs, but make ſome Exceptions to the Stile.

To which His Excellency was pleaſed to make the following ANSWER.

GENTLEMEN,

HIS Majeſty's appointing you a ſeparate Governor from that of New-York, *is ſo great and uncommon a favour, that the Senſe of it muſt be deeply rooted in your Hearts, and I doubt not will be productive of all the ſuitable returns at any Time in your Power. Your Acceſs to former Governors, by reaſon of their diſtance from you might have been difficult, but I hope never deny'd you: All His Majeſty's Subjects ſhall have a ready Acceſs to me, when their Buſineſs requires it, and I ſhall eſteem it no ſmall part of my Happineſs to contribute to theirs. I have long known the good Town of* Burlington, *and the Loyalty and Affection of the Inhabitants to His Majeſty, and His illuſtrious Houſe, and their readineſs and willingneſs to ſupport the Government; and I ſhall with Pleaſure Aſſent to ſuch Laws as are neceſſary for them.*

The ADDRESS of the CORPORATION *of the City of* New-Brunſwick *to His Excellency* LEWIS MORRIS, *Eſq; &c.*

May it pleaſe Your Excellency,

WE the Mayor, Recorder, Aldermen and Commonalty of the City of *New-Brunſwick*, beg Leave to congratulate Your Excellency upon Your Acceſſion to the Government of this Province, and at the ſame Time, we beg Leave to addreſs our Duty and Gratitude to His Sacred Majeſty, the beſt of Kings, in appointing and commiſſioning Your Excellency to rule over us, ſeparate and diſtinct from the Province of *New-York*; which for a long Time paſt has been the ardent Deſire of His Majeſty's dutiful Subjects reſiding in this Province; now we have the greateſt Reaſon not only to hope, that the Hardſhips this Province has laboured under for ſo long a Tract of Years, will be removed, but alſo to live happy under the Adminiſtration of a Gentleman, ſo diſtinguiſhed for His great Abilities, and extenſive Knowledge in the Law, and ſo well acquainted with the Conſtitution of this Province. Our Loyalty to His Majeſty, and our Duty and Obedience to Your Excellency, during the whole Courſe of Your Adminiſtration, we hope will be ſuch, as may juſtly engage Your Excellency to exert Your known Abilities, to put us on ſuch a Footing, as will make us a happy and flouriſhing People.

To which His Excellency was pleaſed to make the following ANSWER.

GENTLEMEN,

I Have not ſeen this Place ſince it was a Wood, and am ſurpriz'd at the Growth of this Town, in ſo ſmall a Tract of Time. I find it is chiefly ſettled by my Countrymen of New-York, *who always teſtified their Affection for the Proteſtant Succeſſion in the Preſent Illuſtrious Family which now fills the Throne; they are now become* Jerſeymen, *and, I doubt not, properly zealous for its true Intereſt.*

His Majeſty's appointing you a ſeparate Governor, ſhews that His Royal Goodneſs and Care is employed for the Benefit of the remoteſt of His Subjects; and being an uncommon Favour, as it requires your utmoſt Acknowlegements, ſo I perſwade myſelf none of you will be wanting on every proper Occaſion to make all the grateful returns in his Power.

Loyalty to His Majeſty truly ſhewn, and Obedience to his Governor well and properly paid, will be productive of the beſt Conſequences, and make me gladly uſe any Means in my Power to continue and encreaſe your preſent flouriſhing Condition.

NEW-YORK, September 25.

On the 23d Inſt. arrived here the Brigt. Prince Frederick Capt. Neilſon from Briſtol; Letters by him of the 29th of July, ſay, That by the laſt Poſt from London, it was ſaid that War with Spain would be Proclaimed in London, the 29th of July, which was the Day thoſe Letters were wrote at Briſtol.

That there was a very hot Preſs for Seamen, and that Fifteen Hundred Men were Impreſt in London in one Night, and that two 70 Gun Ships were put into Commiſſion one Day and man'd the next.

A Letter of the 3d of Auguſt from Briſtol, ſent on Board this Brigantine after ſhe fell down, mentions nothing of War being Proclaim'd.

A Man of War lay in the Severn to Preſs all the Seamen inward bound, and upon Application of the Mayor of Briſtol to the Lords of the Admiralty, they granted a Protection for all Sailors outward bound, and for their Trowmen.

The ſame Evening arrived here a Snow from Glaſcow with upwards of 100 Paſſengers and Servants (Highlanders as is ſaid.)

The Ship Amſterdam, Capt Willſon is daily expected here from Plymouth, with upwards of 300 Palatines.

Captains Bryant, Farmar and Langdon, were all arrived in England from hence, and all their Men preſs'd.

From the Boſton GAZETTE, *Sept.* 18. 1738.

A Paragraph of a Letter from Marblehead, dated the 14*th Inſt.*

YEſterday arriv'd Capt. John Elkins, who left Gibraltar, the 12th of Auguſt; by him a Gentleman of the beſt Credit in the Place adviſes, that all the Engliſh Ships that were ordered for Security to Faro and other Ports in Portugal, were recalled to the ſeveral Ports in Spain they left; and that by Letters from Cadiz of the 2d of Auguſt they were adviſed that the Engliſh Ambaſſador had made a peremptory and final Demand, and was ordered to leave the Court immediately, if he received no Satisfaction thereto: But remaining there ten Days after the Demand was made, gave the Turn I mentioned, and ſtrong Hopes that Affairs might be accommodated. Admiral Haddock was at Port Mahon. A Ship that came down the Mediterranean brought News, that the Czarina had taken Bender, the ſtrongeſt Fortification the Turks were poſſeſſed of in Europe; and that the Emperor had in one Battle kill'd and taken forty Thouſand Men.---Theſe Advices may be depended on, as they come from a Gentleman of indiſputable Credit.
